

MARCHING DOWN

20th YEN Golf Entrepreneurs' Open & Junior Competition at WGHCC

Hello YEN Alumni,

Can you believe we're already wrapping up the first quarter of the year? Feels like just yesterday we were making big golf resolutions—more practice, finally getting a handicap, maybe even upgrading that old golf bag. So... how's that going? No judgment, we're all marching down the fairway together!

March has been a fun one—some great golf rounds, a few questionable ones (we won't name names), and plenty of unforgettable moments on the course. But beyond the beautiful rounds of golf, we've had some solid laughs and good vibes.

And while we're talking about golf, here's a little reminder: we're still hard at work, training golfers and building up the YENGolf community. New faces, new networks, 87 cohorts strong—and the same commitment to the game we all love. We're staying true to the

game, and there's so much more to come.

Teeing off now! Utapenda!

Mount Kipipiri Golf and Resort Tournament Recap

If you weren't at Mount Kipipiri Golf and Resort on March 1st, we need to have a serious talk—because you missed out. Big time.

Let's start with the course. Absolutely stunning. The kind of fairways that make you want to play an extra round just to soak it all in.

But the real showstopper? [The clubhouse](#). Listen, if you haven't been to Mount Kipipiri, do yourself a favor and go. Even if it's just to sit there, staring at the views like you're in a travel magazine. It's that good.

If you were there, you know exactly what we're talking about. If you weren't, well... let this be your official FOMO alert. Next time, just show up. You won't regret it.

Fun Moments at Kipipiri

24th YEN Golf Entrepreneurs' Open at Mount Kipipiri

For everyone who joined us for the tournament at Mount Kipipiri Golf Resort, we are so grateful for you. It was such a great day, and we want to thank everyone who joined us to make it a success.

Some of us walked away with birdies, while others left with... character development.

A huge congratulations to all our winners – you guys brought your A-game, and we couldn't be prouder!

Big thanks also to our amazing sponsors who helped make it all possible. We truly appreciate your support!

Best Dressed – My *Totally Subjective* Opinion!

Golf is a game of style!

While the swings were impressive at the Mount Kipipiri Tournament, some outfits were just as eye-catching.

This time, my personal pick for **Best Dressed** goes to this fourball.

24th YEN Golf Entrepreneurs' Open at Mount Kipipiri Golf

Three of them showed up in perfectly coordinated shades of orange and pink— clearly reading from the same style playbook. And then there was the fourth... looking very fashionable with a fedora hat. Was it a deliberate contrast? We'll never know.

Best dressed? In my completely biased and unscientific opinion—absolutely!

Next time, step up your style game, and who knows? You might just land the next Best Dressed title!
