

# Fresh Greens: Hello May!

Welcome to our 13th issue—can you believe it? Thirteen newsletters deep, and we're still swinging strong!

Is it just us, or did April speed past us? One moment we were mapping out meetups and tournaments, and the next—we're waving goodbye to April and saying *hello*, *May!* 

This edition is short and sweet. Just a quick check-in to recap the highlights of the past month and tee you up for what's coming next.

Teeing off now—*Utapenda!* 

### Meet & Greet Recap.

Our April *Meet and Greet* at Kofisi Square was nothing short of amazing!

From reconnecting with alumni to meeting new members of our growing community, the energy in the room was amazing!

We laughed, networked, swapped golf stories, and laid the groundwork for exciting connections.

But what made this edition even more special? We officially kicked off a new partnership with Kofisi Square. Kofisi Square offers a workspace provider, offering sophisticated office design and community spaces.

If you're looking for a space to work or meet, or just escape the usual office grind, check them out here <a href="www.kofisi.africa">www.kofisi.africa</a>

Big thanks to everyone who came through—and to Kofisi Square, for the space, the vibe, and the beginning of what we hope will be a long and meaningful partnership!
