

Halfway There, Still Swinging!

Hello YEN Alumni,

We're officially in the second half of the year—and while July has brought its signature chill, let's be honest: ***not even the cold, rain, or fog has stopped our golfers.*** If anything, we've seen even more swings and more determination than ever. Who knew golf jackets could be this fashionable?

Over the past few months, we've grown, connected, and built serious momentum.

With new intakes, exciting events, and fresh faces joining the community, this month is all about showing up, staying warm, and playing on, just like we always do.

Teeing off now! Utapenda!

YENGolf Elite Tournament – For the Big Players Only

This Friday, **July 18th**, we're heading to **Limuru Country Club** for one of our most anticipated events yet—the **YENGolf Elite Tournament**.

Over the years, YENGolf has trained golfers who've gone on to do incredible things on the course, many of whom have earned their official handicaps and become true students of the game. This tournament is a celebration of that dedication.
